PURPOSE OF THE AUDIT SUBCOMMITTEE

To assist the Board of Governors in fulfilling its oversight responsibilities for the financial reporting process, the system of internal controls, the audit process, and the University’s process for monitoring compliance with laws and regulations and its Code of Ethics.

AUTHORITY AND COMPOSITION

Section 3.3.1 of the bylaws of the Board of Governors provides:

“The Audit Subcommittee shall be a standing subcommittee of the Executive Committee and shall consist of no more than three members of the Board of Governors. The Audit Subcommittee shall provide advice, information, and recommendations to the Executive Committee so as to provide additional assurance that the Board of Governors and the Executive Committee fulfill their legal, fiduciary and financial responsibilities. The Audit Subcommittee shall review annually the account activity of the President’s Office and the annual audit and financial statements of the University and shall report to the Board through the Executive Committee.”

The Board or the Executive Committee will appoint subcommittee members and the subcommittee chair. Members of the Audit Subcommittee must be independent of management and the University and be free of any financial or personal relationships that would impair such independence. The chair shall obtain, at a minimum, a basic knowledge of certain University financial topics such as audit subcommittee functions, accounting principles, accruals, reserves, and internal controls.

TERM

The subcommittee members shall serve a 3-year term, staggered to the extent possible, to provide continuity.

MEETINGS

The subcommittee will meet three to four times per year, as required, to discharge its responsibilities. The subcommittee may convene additional meetings as circumstances require. All subcommittee members are expected to attend each meeting, in person or via teleconference. Members of management, the auditors or others, as deemed necessary, will attend the meetings to provide information. The Subcommittee may hold private meetings with the auditors (see below) and may meet in executive session. Meeting agendas will be prepared and provided in advance to members, along with appropriate briefing materials. Draft minutes will be prepared and signed by the Secretary to the Board of Governors and the Audit Subcommittee chairperson. The draft minutes will be promptly circulated to the subcommittee members at the next meeting and all members of the Executive Committee. Should the chair determine that there are exceptional circumstances, he or she may provide the Executive Committee with an oral report of the Audit Subcommittee’s activities on a particular subject, in lieu of including that report in the written minutes.
