Doctoral Student Success

Graduate School

Student Success: Doctoral Student Success

- 75 PhD programs in 11 schools and colleges
- 1,700 PhD students
- 3,000 PhD alumni over a 15-year period (1999-2014)

Graduate School

Story of our Doctoral Students *PhD Data Dashboard*

1. Who are our students?
2. How do our students perform?
3. What do our students do after PhD completion?

Our new Doctoral Data Dashboard answers these questions

Questions and Challenges

- What more do we need to know about doctoral student success?
- How do we increase participation of students from under-represented groups and enrollment of domestic students?
- How do we increase financial support for doctoral students?
