Budget
\$12,000,000+

\$1.19M in private philanthropy (FY 2023)

83 faculty

41 support staff members

\$5M in research funding (3-yr avg)

\$839K in scholarships (2022-23)

Complex Challenges

Vivid Visioning Approach

- Radically inclusive
- Community builder
- Collective vision

Building Blocks

High Impact Elevation, Innovation, Transformation

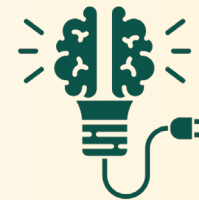

Holistic student success
(undergrad)

Doctoral student
success

Integrative community
engagement strategy

Professional
development

Impact storytelling

Faculty and staff
wellbeing

Commitments: DEIAJ/RN | Data informed | Human-centered design | Collaboration | Resources aligned with priorities | Continuous improvement | Impact focused

Top Ranked College of Education

Outcomes

- Increased satisfaction among students, staff, and faculty
- Increased enrollment, retention, and completion rates
- Increased funding for innovation
- Increased revenue outside of traditional tuition
- Help transform educational and health equity landscape through mutually beneficial, high-impact collaborations (DPSCD, network of community orgs facilitating change)
- Noted impact of our graduates on the landscape

DAZMONIQUE CAR

“When I was a student-athlete at Wayne State University, I quickly learned that I couldn’t access nor pay for the healthy food that I needed to consume...So I started volunteering at Keep Growing Detroit, and from there, I learned how to take a 2 dollar pack of seeds and grow 10-20 different types of plants. After that, I was hooked.” (ProsperUS)

Thank you!
