Recommendation

It is recommended that the Board of Governors approve the dissolution of the Ivan C. and Elizabeth A. George Endowed Scholarship Fund in the Wayne State University Athletic Department.

Background

The Athletic Department has requested that the Ivan C. and Elizabeth A. George Endowed Scholarship Fund be dissolved due to the inability to use the funds for student-athlete scholarships because of NCAA legislation.

The donor, Joette George, wishes to transfer the funds currently held in the endowment to name the Rodger George Press Box Room at Harwell Field in the Athletic Department. The funds will be transferred to the Athletics Support Fund.
