New American Psychological Association (APA) Model Doctoral Program in Counseling Psychology

• Several years ago the State Licensing Board decided that all Counseling Psychologists must be licensed by the APA
• The College didn’t have the faculty resources to provide the required Clinical Courses and the Core Psychology Courses
• We partnered with Psychology (CLAS) to provide the Core Courses
• With the Provost’s help we obtained stipends from the Graduate School for two years
• Our first cohort of seven students is currently completing its first year
