

**FY 2021-22 Tuition and Fee Rates**

**Section 1: Recommendation for Board Action**

It is recommended that the Board of Governors approve the FY 2022 tuition rates and mandatory fees as presented below. In summary, the base tuition and fees for Wayne State University are increased by 3.9 percent for undergraduates and 3.9 percent for graduates and most professional students, with the exception of School of Medicine MD program students, previously approved by the Board of Governors in April.

A brief summary of the tuition rate increases for a resident student in general programs is shown in the table below:

WAYNE STATE UNIVERSITY FY 2022 TUITION RATE RECOMMENDATION				
Category & Level	Resident - per Credit Hour			
	FY 2021	FY 2022	\$ Diff.	% Diff.
Undergrad-Lower Division	\$397.05	\$412.53	\$15.48	3.90%
Undergrad-Upper Division	\$471.19	\$489.57	\$18.38	3.90%
Graduate (General Programs)	\$678.55	\$705.01	\$26.46	3.90%

In terms of mandatory fees, Wayne State University requires all students to pay a registration fee (on a semester basis) and a student services fee (on a per credit hour basis). It is proposed that the registration fee increase by 3.9 percent for all undergraduate students and 3.9 percent for all graduate and professional students (excluding School of Medicine MD program students, who are charged a separate fee). The student services fee rate is proposed to increase by 3.9 percent for all undergraduates and 3.9 percent for graduate and professional students.

The table at the end of this document details the specific changes for all Wayne State University tuition rates and mandatory fees for FY 2022. The Board of Governors, at the April 30, 2021 meeting, approved the tuition and fees for the School of Medicine’s MD program. They are listed in the attached schedule for informational purposes only.

It is recommended that the Board of Governors authorize the President or his designee to adjust the rates for special programs or where otherwise appropriate.

It is also recommended that the Board of Governors authorize the President or his designee to modify the rates accordingly if the final State of Michigan tuition restraint is lower than 4.2%, as currently projected.

### Wayne State University Tuition and Fee Rates vs. Other Michigan Public Universities

Wayne State tuition has tracked the median for the Michigan public universities (MPU) for many years. In some years the MPU average has exceeded Wayne State's undergraduate tuition and fee rates. For many years, Michigan State's tuition and fees have tracked much closer to the University of Michigan than Wayne State.

**Section 3: Further Recommended**

Differential Tuition

Master of Studies in Law is a new graduate degree launched in the Winter 2021 semester. The tuition and fees for the program, including the differential tuition rate, follow the Law School graduate program rates as presented below.

No new differential tuition rates are proposed at this time.

Additional Tuition and Fee Recommendations

For students who may be eligible for tuition discounts or waivers, only one discount or waiver will be permitted beginning with the Fall 2021 semester, or as approved by the office of the Registrar. These discounts include but are not limited to the senior citizen discount, non-resident tuition waivers for online programs, and the Great Lakes tuition discount, etc. The Office of the Registrar will review students who qualify for different discounts or waivers and select the one most financially beneficial to the student.

Students who register for individual, online JYM-Program courses are assessed an amount equivalent to the standard university Resident Upper Division, per credit, tuition rate plus the Registration Fee and the Student Services Fee. Tuition for individual, online and hybrid JYM-Program courses shall be canceled in accordance with the University's standard policies governing the cancelation of tuition.

It is the Administration's intention to equalize the tuition rates between Law (JD program) 1<sup>st</sup>, 2<sup>nd</sup> and final year. As such, effective FY 2024 (Fall 2023), students entering the final year of Law (JD program) will pay the same tuition rate as 1<sup>st</sup> and 2<sup>nd</sup> year Law (JD program) students.
