656 W Kirby St

Detroit, MI 48202-3622

Dear President Wilson,

This letter serves to inform you that Wayne State University has successfully completed its Year 4 Assurance Review with no recommended monitoring.

Wayne State University will not receive an official action letter from HLC's Institutional Actions Council. This letter serves as your confirmation that this review is complete.

In two weeks, this review will be added to the Institutional Status and Requirements (ISR) Report, a resource for CEOs and Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. CEOs and Accreditation Liaison Officers may request the ISR Report on HLC's website at https://www.hlcommission.org/isr-request.

The next step in the institution's ongoing accreditation relationship is to begin work on a Quality Initiative project and to prepare for the institution's comprehensive evaluation in Year 10, which will include an action regarding the institution's Reaffirmation of Accreditation.

If you have any questions, please contact the institution's HLC staff liaison Steph Brzuzy. Your cooperation in this matter is appreciated.

Sincerely,

Higher Learning Commission

Steph Brzuzy, Vice President for Accreditation Relations
