Strategic Plan Update: Teaching, Learning and Student Success

October 24, 2024

# Strategic Plan Focus Area: Teaching, Learning and Student Success

*We will build upon our remarkable and acclaimed improvements in student success, made possible by our strategic commitment to support every student, no matter their background. This commitment is centered in our dedicated and accomplished faculty, woven into our culture, and present at every level of the university. We recognize that many members of our society need the opportunity to finish or expand their education, and we will be the university that best facilitates their needs.*

# Teaching, Learning and Student Success: The Heart of Our University

Goal 1: Educate the next generation for a rapidly changing and increasingly connected world.

Goal 2: Continue world-class professional and Ph.D. education.

Goal 3: Provide lifelong educational opportunities to support career changes, advancement, social mobility and workforce development.

Goal 4: Increase investment in teaching and learning.

Goal 5: Invest in student success beyond the classroom.

Goal 6: Grow enrollment at all levels, with an overall goal of 28,000

# Teaching, Learning and Student Success Scorecard
